DANB's Background Information Policy

National exam, certification renewal, certification reinstatement, and emeritus applications contain three background information questions (BIQs) that exam candidates and certificants ("DANB Individuals") are required to answer. Failure to answer the questions will result in the application being returned as incomplete. DANB Individuals must submit documentation, with their completed application, related to each affirmative response. DANB will review the documentation related to each affirmative response and make a case-by-case determination, in consultation with legal counsel, as to the candidate's eligibility to test, to earn certification or recertify. Dependent on specific disclosures made, DANB reserves the right to bring individuals for review under DANB's Disciplinary Policy & Procedures.

Note: Any person being held on criminal charges or serving a sentence of confinement (e.g., prison, jail, home detention, or any equivalent mode of confinement) for any offense, must be fully released from confinement before applying for and/or taking a DANB exam or before renewing or reinstating DANB certification.
