A licensed dentist (license verified by DANB), from any country, may assess the work experience of a candidate in the country that the above dentist supervised/trained the candidate.

Name of Exam Candidate:

I hereby attest that the above named candidate has a minimum of 120 and no more than 3,000 hours dental assisting work experience. I attest that these work experience hours were not required for successful completion of a dental assisting program.

Dates candidate has been in my employment: From To
If still currently employed, please write "present" next to "to" field, or enter today's month/year

Dates of previous employment: From To

If a candidate accrued dental assisting work experience under more than one dentist during the required time period, the candidate may submit multiple Work Experience Statement forms, or the current dentist may verify all prior work experience on this form.

I further attest that I have personally trained or can verify that the candidate has been trained in the areas listed below. During the tenure of employment, if this candidate has not performed all of these functions in the office, they must still possess a basic understanding of them in order to increase their likelihood of success on the exam. If the candidate lacks training in or has not demonstrated basic knowledge of all areas listed below, they are ineligible to take the exam.
