

Certified Assistant Emeritus Application

This form will be accepted through Dec. 31, 2024.

Emeritus Information and FAQs

DANB offers emeritus status to certificants who have retired from or, for medical reasons, are no longer employed in a dental office or dental assisting position (e.g., dental assistant, dental assisting educator, community dental health coordinator).

After emeritus status is awarded, a certificant may use their certification mark followed by “Emeritus” for identification (e.g., Sue Smith, CDA-Emeritus). Emeritus status does not require earning CDE credits; maintenance of CPR, BLS or ACLS certification; or payment of renewal fees.

What do I need to apply for emeritus status?

You must meet certain requirements and submit appropriate documentation with your application (next page).

REQUIREMENTS
