

New Jersey Dental Radiologic Technologist Requirements

This information is valid as of Jan. 1, 2023.

The New Jersey Radiologic Technology Board of Examiners (Board) licenses dental radiologic technologists in New Jersey. The Board recognizes the Dental Assisting National Board, Inc. (DANB) Radiation Health and Safety (RHS®) exam as its licensing exam in dental radiologic technology.

To legally operate dental x-ray equipment and perform dental radiographic procedures in New Jersey, a dental assistant must be licensed as a Dental Radiologic Technologist (DRT) by the New Jersey Radiologic Technology Board of Examiners

To obtain this license, one must complete all of the following requirements:

Be at least 18 years of age

Be a high school graduate or its equivalent

Be of good moral character

Pathway I

Jersey state-approved dental radiography course (see p. 2) or its equivalent

2. Pass the DANB Radiation, Health and Safety (RHS) exam

Both requirements must be completed **within** five years prior to application

Pathway II

state-approved dental radiography course (see p. 2) or its equivalent more than five years prior to application

2. Pass the DANB Radiation Health and Safety (RHS) exam within five years prior to application
3. Document competent work experience* in performing dental radiographic procedures within five years prior to application

*It is illegal to obtain this work experience in New Jersey without the permission of the New Jersey Bureau of X-Ray Compliance.

Pathway III

Jersey state-approved dental radiography course (see p. 2) or its equivalent

2. Hold current DANB Certified Dental Assistant™ (CDA®) certification

Apply for license from the State of New Jersey Bureau of X-Ray Compliance after completing all of the above requirements.

All inquiries regarding licensure, eligibility requirements and requests for license applications should be addressed to: State of New Jersey Department of Environmental Protection, Bureau of X-Ray Compliance, 25 Arctic Parkway, P.O. Box 420 (Mail Code 25-01), Trenton, NJ 08625-0420, or call 609-984-5890. Instructions and applications can be obtained at www.xray.nj.gov.

Direct all questions regarding the DANB RHS exam to DANB at 1-800-367-3262 or danbmail@danb.org.
