## New York State Information

### New York Licensure Information

DANB has an agreement with the New York State Education Department (NYSED) to administer the exam(s) necessary for a dental assistant to qualify for licensure in New York. **Dental Assistants must be licensed in the state of New York** in order to perform supportive services under the direct supervision of a licensed dentist (see box below). Licensure is regulated by the NYSED. Within parameters established by law and regulations, the department determines eligibility requirements, sets education and exam requirements, and issues a license when requirements are met.

### Supervision Required for Registered Dental Assistants

#### Supportive Services\*

As defined by the State of New York, supportive services include providing patient education, taking preliminary medical histories and vital signs to be reviewed by the dentist, placing and removing rubber dams, selecting and prefabricating provisional crowns, selecting and prefabricating orthodontic bands, removing orthodontic arch wires and ligature ties, placing and removing matrix bands, taking impressions for study casts or diagnostic casts, removing periodontal dressings, removal of sutures placed by a dentist, taking impressions (for space maintainers, orthodontic appliances, and occlusal guards), removing temporary cement, applying topical anticariogenic agents to the teeth, applying desensitizing agents to the teeth, placing and removing temporary separating devices, placing orthodontic ligatures, taking x-rays in accordance with the requirements of section 3515(4)(c) of the Public Health Law, and other dental supportive services authorized by the licensed dentist while the Registered Dental Assistant is under the direct personal supervision of the licensed dentist, provided that such other dental supportive services are not excluded by New York regulations.

\*As authorized under Chapter 494 of the Laws of 1994 and amended by Chapter 565 of the Laws of 1995

A Registered Dental Assistant may provide dental supportive services only under the direct personal supervision of a licensed dentist. The Registered Dental Assistant must perform the dental procedures based on instructions given by a licensed dentist in the course of the procedure. The dentist must remain in the dental office where the supportive services are being performed, personally diagnose the condition to be treated, personally authorize the procedure, and evaluate the services performed by the dental assistant prior to dismissing the patient.

Only Registered Dental Assistants or licensed dentists and dental hygienists are legally allowed to provide supportive services. Individuals who provide any of these services in New York without earning a license from the State of New York as a Registered Dental Assistant are not in compliance with the law and are in danger of being prosecuted for a felony.

### DANB Certified Dental Assistant Definition and Information

DANB's Certified Dental Assistant (CDA) certification is a national certification that dental assistants may earn by meeting eligibility requirements and passing three DANB component exams — the General Chairside Assisting (GC), Infection Control (ICE), and Radiation Health and Safety (RHS) exams. A Registered Dental Assistant is a dental assistant who has met the requirements of New York Pathway I or New York Pathway II and received a license from the New York State Education Department. To become licensed in New York, a dental assistant must meet New York education requirements and either pass all three components of DANB's national Certified Dental Assistant (CDA) exam or pass the NYPDA exam, along with national DANB RHS and ICE component exams ("New York Combination Exam"). See p. 2 of this packet for more information on the pathways.

**Candidates who wish to apply for DANB's CDA exam** (one of the requirements for New York Pathway I) must graduate from a Commission on Dental Accreditation (CODA)-accredited dental assisting program or have two years of general dental assisting experience and proof of high school graduation or equivalent, and meet DANB's additional eligibility requirements. Candidates may apply for DANB's CDA exam and its components at DANB's website, [www.danb.org](http://www.danb.org).

**Candidates who wish to apply for the RHS and ICE component exams** as part of New York Pathway II requirements may apply online at DANB's website, [www.danb.org](http://www.danb.org).

**Current or former DANB CDA certificants** who earned the CDA certification prior to June 1, 1985, must pass the RHS and ICE components of the current DANB CDA exam and meet the remaining New York licensure eligibility requirements to be eligible for licensure as Registered Dental Assistants. Current or former DANB CDA certificants who earned the CDA certification between June 1, 1985, and June 1, 1993, must pass the ICE component exam and meet the remaining New York licensure eligibility requirements to be eligible for licensure as Registered Dental Assistants in New York.

**Other DANB certificants:** If applying for licensure through NY Pathway I, only a current or former DANB CDA certificant

is recognized as having met exam requirements for licensure as a Registered Dental Assistant in New York. Current or former holders of another DANB certification that included the ICE exam as a component may become licensed through New York Pathway I only by completing the remaining two CDA components (GC and RHS) or the NYPDA and RHS exams.

### **Use of Credential Designations**

A candidate who completes one of the two education options and all requirements for New York Pathway I is a national DANB CDA certificant as well as a Registered Dental Assistant in New York. As long as the candidate maintains CDA certification by annually fulfilling DANB's renewal requirements, the candidate may use the CDA certification mark. Candidates who do not renew their DANB certifications are no longer certified by DANB and may not use the CDA certification mark. However, these individuals may continue to practice as Registered Dental Assistants in New York as long as they continue to meet New York licensure requirements.

Candidates who are licensed by the State of New York through New York Pathway II are not DANB CDA certificants and may not use the CDA certification mark. These dental assistants may earn DANB CDA certification once they meet the DANB eligibility requirements and successfully complete the General Chairside Assisting (GC), Infection Control (ICE) and Radiation Health and Safety (RHS) component exams of the CDA exam within five years. Candidates who are licensed by the State of New York through Pathway II are Registered Dental Assistants. These licensees may use the initials RDA after their names to signify their licensed status.

2. I hereby release DANB, its directors, officers, examiners and agents from any and all liability arising out of or in connection with any action or omission by any of them in connection with this application, the certification process, any exam administered by DANB, any scoring relating thereto, the failure to issue me an exam result, certificate, or any demand for forfeiture or return of such exam result, certificate, and I agree to indemnify DANB and said persons and hold them harmless from any lawsuit, complaint, claim, loss, damage, cost or expense, including attorneys' fees, arising out of or in connection with said credentialing activities which include all DANB-administered exams and certificates. I UNDERSTAND THAT THE DECISION AS TO WHETHER I HAVE MET REQUIREMENTS FOR ADMISSION TO A DANB-ADMINISTERED EXAM OR RECEIPT OF A DANB-ADMINISTERED EXAM RESULT, CERTIFICATE OR CERTIFICATION RESTS SOLELY AND EXCLUSIVELY WITH DANB AND THAT THE DECISION OF DANB IS FINAL. Notwithstanding the above, should I file suit against DANB, I agree that any such action shall be governed by and construed under the laws of the State of Illinois without regard to conflicts of law. I further agree that any such action shall be brought in the Circuit Court of Cook County in the State of Illinois, or the United States District Court for the Northern District of Illinois; I consent to the jurisdiction of such state and federal courts; and I agree that the venue of such courts is proper. I further agree that should I not prevail in any such action, DANB shall be entitled to all costs, including reasonable attorneys' fees, incurred in connection with the litigation.

My full address will not be posted online by DANB. I further understand and agree that DANB may, from time to time, provide my name, address, phone number to third parties (including but not limited to official DANB affiliates, potential employers; dental conference sponsors; federal, national or state organizations; or legislative committees or task forces proposing or informing stakeholders of legislation). I further understand that this consent will remain in effect unless and until I submit a written request to have this information omitted from release. 7. I understand that the content of all DANB exams is proprietary and strictly confidential information. I hereby agree that I will not disclose, either directly or indirectly, any question or any part of any question from the exam to any person or entity. I understand that the unauthorized receipt, retention, possession, copying or disclosure of any DANB exam materials, including but not limited to the content of any exam question, before, during or after the exam may subject me to legal action. Such legal action may result in monetary damages and/ or disciplinary action including rescinding exam results and denying or revoking certification. I agree to comply with any investigation regarding my behavior, acts or omissions, related to DANB exams, certificates and/or certifications.
8. I understand that for each application submitted, DANB will process the appropriate payment. If I fail to show up for an exam for which I have applied, and there is no documented DANB-accepted emergency, and I failed to comply with DANB cancellation policies, I am still obligated to pay the full exam fee. I further understand that taking the exam and then revoking payment constitutes the wrongful use of DANB products and services and I may be subjected to legal action. I am obligated to pay for the exam whether I pass or fail. I agree not to dispute the exam fee. Exam results will be rescinded if the exam fee is not paid in full.

## Background Information Policy

National exam, certification renewal, certification reinstatement, and emeritus applications contain three background information questions (BIQs) that exam candidates and certificants (“DANB-Individuals”) are required to answer. Failure to answer the questions will result in the application being returned as incomplete. DANB Individuals must submit documentation, with their completed application, related to each affirmative response. DANB will review the documentation related to each affirmative response and make a case-by-case determination, in consultation with legal counsel, as to the candidate’s eligibility to test, to earn certification or recertify. Dependent on specific disclosures made. DANB reserves the right to bring individuals for review under DANB’s Disciplinary Policy & Procedures.

Note: Any person being held on criminal charges or serving a sentence of confinement (e.g., prison, jail, home detention, or any equivalent mode of confinement) for any offense, must be fully released from confinement before applying for and/or taking a DANB exam or before renewing or reinstating DANB certification.

## Background Information Questions

### BIQ 1 Is your answer “yes” to either of the following?

- In the last five years, have you been convicted of, or pled guilty or no contest to, a felony or any crime punishable by confinement in a state or federal prison for any length of time?
- Are you currently serving a sentence of confinement, home detention, parole, probation, or other court-ordered supervision, or are you subject to a reporting requirement (e.g., sex offender or violent offender registry) in connection with any felony conviction received in your lifetime?

*It is not necessary to report misdemeanor convictions. If you are uncertain whether a conviction was for a felony or a misdemeanor, you must mark “yes.”*

### BIQ 2 Have you ever been the subject of any of the following?

- Suspension, revocation, or voluntary surrender of your dental assisting license, registration, or other state recognized dental assisting credential?
- Suspension, revocation, or voluntary surrender of a license, registration, or other state-recognized credential in any profession?
- Loss of authorization to practice dental assisting or any profession as an employee of the federal government?
- Loss of authorization to practice dental assisting or any profession in a jurisdiction that does not require registration, licensure, or other recognized employment credential?
- Disciplinary action by a professional regulatory board, certifying or examination agency, or other professional body?
- Investigation by or dismissal from an educational institution or employer for cheating, violating an educational institution's or other organization's code of conduct or similar document, or any other ethical violation?

### BIQ 3 Have you ever been declared mentally incompetent by a court of law?

### Step 1 — Personal Statement

The candidate must attach a signed and dated personal statement describing the circumstances surrounding each occurrence, the offense or reason for the conviction or disciplinary action, the date of the adverse action, the penalties imposed, and the dates when penalties for each occurrence were or will be completed.
