Oregon Expanded Functions – General Dental Assisting Pathways II, IIIA and IIIB

Eligibility Pathways for Expanded Functions Dental Assistant (EFDA) in Oregon

***NOTICE: Beginning June 1, 2024, the Oregon Basic Dental Assisting (ORB) exam will no longer be administered. DANB will no longer accept applications for the ORB exam after January 5, 2024. To meet the Pathway III eligibility requirements for EFDA, EFODA, and EFPDA, candidates will instead be required to pass DANB's ICE exam. Candidates who passed the ORB prior to its discontinuation will still be able to use their ORB result to qualify for an Oregon expanded function certificate.**

Performance of EFDA functions in Oregon is regulated by the Oregon Board of Dentistry (OBD). The Dental Assisting National Board, Inc. (DANB) administers the Oregon EFDA certificate program on behalf of the Oregon Board of Dentistry, a service that includes providing information regarding exams and certifications, distributing application materials, administering the required exams and issuing certificates.

An Oregon EFDA certificate allows a dental assistant to perform the following duties: polish the coronal surfaces of teeth with a brush or rubber cup as part of oral prophylaxis to remove stains providing the patient is checked by a dentist or dental hygienist after the procedure is performed, prior to discharge; remove temporary crowns for final cementation and clean teeth for final cementation; preliminarily fit crowns to check contacts or to adjust occlusion outside the mouth; place temporary restorative material (i.e., zinc oxide eugenol-based material) in teeth providing that the patient is checked by a dentist before and after the procedure is performed; place and remove matrix retainers for alloy and composite restorations; polish amalgam restorations with a slow-speed handpiece; remove excess supragingival cement from crowns, bridges, bands or brackets with hand instruments providing that the patient is checked by a dentist after the procedure is performed; perform all aspects of teeth whitening procedures; fabricate temporary crowns and temporarily cement the temporary crown provided that the cemented crown is examined and approved by the dentist prior to the patient being released. An EFDA may also provide additional expanded functions that are not listed here under general supervision or after completing additional education/training in those functions. For details, see the "Allowable and Prohibited Duties" chart linked from the Oregon page in the State Requirements area of DANB's website (www.danb.org).

To perform expanded functions in Oregon under the supervision of a licensed dentist, a dental assistant must earn status as an Expanded Function Dental Assistant (EFDA). To qualify, one must:

Notwithstanding the above, should I file suit against DANB, I agree that any such action shall be governed by and construed under the laws of the State of Illinois without regard to conflicts of law. I further agree that any such action shall be brought in the Circuit Court of Cook County in the State of Illinois, or the United States District Court for the Northern District of Illinois; I consent to the jurisdiction of such state and federal courts; and I agree that the venue of such courts is proper. I further agree that should I not prevail in any such action, DANB shall be entitled to all costs, including reasonable attorneys' fees, incurred in connection with the litigation.

6. I understand that I can be disqualified from taking or continuing to sit for an exam, from receiving exam results or certificate and from obtaining certification if DANB determines through proctor observation, statistical analysis or any other means that I was engaged in collaborative, disruptive or other unacceptable behavior before, during the administration of, or following the exam.
7. I understand that the content of all DANB exams is proprietary and strictly confidential information. I hereby agree that I will not disclose, either directly or indirectly, any question or any part of any question from the exam to any person or entity. I understand that the unauthorized receipt, retention, possession, copying or disclosure of any DANB exam materials, including but not limited to the content of any exam question, before, during or after the exam may subject me to legal action. 8. I understand that for each application submitted, DANB will process the appropriate payment. If I fail to show up for an exam for which I have applied, and there is no documented DANB-accepted emergency, and I failed to comply with DANB cancellation policies, I am still obligated to pay the full exam fee. I further understand that taking the exam and then revoking payment constitutes the wrongful use of DANB products and services and I may be subjected to legal action.
